

West Texas State Homecoming Next Saturday

Cooking School Is Slated For Two Days Here

The Canyon News Cooking School will be held on Friday and Saturday of next week, October 26-27, at the American Legion Hall.

At a meeting of the electrical dealers Thursday night it was agreed that two days would be sufficient for the school to be held.

All dealers in Canyon were enthusiastic over the plan for a two day school rather than a three day school.

According to Miss Fern Brannen, who met with the dealers, the schools have been a great success in the various towns where the school has been conducted. Miss Brannen is a former student of West Texas State and is enthusiastic about again meeting the housewives of Canyon and explaining for them the best methods of making use of their electrical equipment.

Places were drawn by Clay Cooper and Ray Campbell for the dealers to have their equipment used on the stage by Miss Brannen. All dealers in Canyon are invited to participate and to have on display their products.

Attendance prizes will be given daily to the women who are in the Legion Hall at the end of the Cooking School.

Square Dancing Lessons Offered Canyon Youth

The 49ers Square Dance club is conducting a ten-week school to teach the teen-agers of Canyon and vicinity the art of square dancing.

There will be 10 lessons at the rate of one per week with a fee of 25c per lesson. The fee will cover only the overhead expenses. The lessons, conducted on a non-profit basis, will begin promptly at 7:30 each Saturday night in the Samuelson Hall at 1407 4th Avenue, Canyon. The lessons will last no longer than two hours and the students should be dismissed at or before 9:30 o'clock.

The first session was held last Saturday night. A nice group attended, but the boys outnumbered the girls. It is hoped that every young person interested in square dancing will be on hand this Saturday night. There will be partners for all.

The 49ers would like to insist that parents of young people take advantage of every opportunity to be their guests each night and to give them the benefit of any suggestions they might have to offer for the betterment of the program.

Because quite a number of students in each of the high school classes, as well as their parents, have shown such an interest in square dancing, the 49ers Club has made definite plans to sponsor a Canyon Teen-Agers square dance club.

Hiway 66 Group at Palo Duro Park For Luncheon on Friday

About 100 delegates from Highway 66 Association at the Palo Duro State Park Friday for luncheon and to view the beauties of the Canyon. The annual meeting of the association was held in Amarillo, which was attended by groups along the highway from California to Missouri. Most of the delegates were tourist court owners.

Fist Ansley of Amarillo, president of the Palo Duro Boosters Club, was elected president of the 66 association.

Clyde Warwick represented Canyon at the meeting.

P. T. A. Will Hear Mrs. Sligar Thurs.

The Canyon Parent-Teacher Association will meet in regular session on Thursday night, October 19, at 7:45 in the High School Cafeteria. Mrs. Mary Sligar of West Texas State College faculty will speak on child growth and development.

A nursery supervised by Mrs. Perry Bell will be open during the meeting. Special recognition will be given the parents of the youngest pre-school child. This year's course of study, child growth and development, is of interest to all parents.

ATTENDED FUNERAL

The funeral of Mrs. Mattie Hall, sister of Mrs. R. W. Foster, was held Monday in Honey Grove. Lee and Mark Foster, Mrs. W. P. Huffman and Miss Mattie Foster attended the funeral.

Mr. and Mrs. Tom Knighton of Olton spent the week end at the homes of their parents, Mr. and Mrs. T. H. Knighton and Mr. and Mrs. Dan Sanders.

Absentee Votes May Be Cast at Office of Clerk

Absentee ballots are now at the office of T. H. Lair, County and District Clerk, ready for your vote in the General Election.

Absentee ballots may be cast between October 18 and November 3. The general election will be held on Tuesday, November 7.

Any Randall county citizen who will not be in Randall county on the date of the election and wishes to cast an absentee ballot in this election may vote either by going to the office of the County Clerk, or by writing for a ballot to be mailed to him if he is now away from home and will not return until after election day.

There is little interest in the election except the fight for the place in Congress from the 18th Congressional District. Congressman Ben Guill of Pampa is visiting all counties of the district while Congress is on recess. He is the only Republican Congressman from Texas. He is making regular radio talks to the voters of the district.

Walter Rogers, Democratic nominee, also from Pampa is likewise visiting all of the counties of the district and is also making weekly broadcasts. He is seeking to unseat Guill on the strength of the Democratic majority in the district.

Sat. Talent Show Is Opportunity for All Boys and Girls

The talent show held each month at the Olympic Theater is continuing to draw 3 to 4 hundred young people at each performance. The program held the second Saturday in each month is sponsored by an individual in Canyon; Mr. W. J. Wooten donates the theater building and equipment for the free movie that follows each talent show.

The young people of Canyon are developing into fine showmen. Sara Slagle, Christina Sykes, Janna O'Donald, Shirley Newberry, Barbara Shepherd, Avalon Brown, and Jacqueline Barnard along with E. C. Siefert and John Spann of the Buffalo football squad appeared on the program last Saturday. Seifert and Spann had worked out a comical act which the audience enjoyed very much. It is hoped that other boys and girls will work out an original number for the program.

The show on Saturday morning is not limited to kiddies. All ages of young people are invited to participate in the program by performing and attending.

Vergie Haines of the Canyon News is scheduling participants for the next program which will be held on November 11 at 9:30 in the morning. Anyone wishing to take part may contact her at 41 or 455W.

Bear Skin Placed in First National Bank

The bear skin of the big bear killed in Alaska by Newton Harrell has been tanned and is on display in the First National Bank. Mr. Harrell and son, Ed, went on a hunting trip to Alaska where the bear was killed.

Wayne Trout Is Naval Dischargee

Wayne Trout, son of Mr. and Mrs. E. S. Trout, was recently discharged from the Navy in California. He had been in the service 7 years last August. Just recently returned from China and Japan.

Dedication of Memorial Chapel To Be Held Saturday Morning on Campus

A preview of the Memorial Chapel will be held Friday afternoon from three until five o'clock for the benefit of local people who may be unable to attend the dedication services on Saturday morning.

Dr. J. A. Hill, president emeritus of the college, cordially invites local citizens to go through the Chapel Friday afternoon for an inspection. Dr. Hill states that he still needs \$600 to \$1000 to complete the building as it was originally planned. Furniture is needed for three small rooms of the building, together with sidewalks and landscaping.

The following will be the program of the dedication exercises on Saturday morning:

Dean Walter H. Juniper, Presiding.
Organ Music, Mrs. Emil Myers, of Amarillo.
Invocation, Dr. Francis W. Prichard, Pastor, First Presbyterian Church, Amarillo.
Welcome, Dr. James P. Cornette, President, West Texas State College.

Dr. Samuel Johnson Is Elected to a Nat'l Organization

DR. SAM JOHNSON

Dr. Samuel B. Johnson was elected to membership in the Association for Research in Ophthalmology, at the recent meeting of the Board of Trustees meeting in San Francisco. Dr. Johnson is resident eye surgeon at the New Orleans Eye, Ear, Nose, Throat Hospital, and a member of the Tulane University Medical School faculty.

Dorothy Neblett Wins Nat'l Award

On Thursday Miss Dorothy Neblett, 14 year old daughter of Dr. and Mrs. R. A. Neblett, was notified by letter that she had been named second place winner in the nationwide Shirley Lee Dress Contest. Just before school started Dorothy sent in her entry finishing the statement "Why I prefer Shirley Lee Dresses" in 50 words. On Friday White and Kirk notified Dorothy that they had been notified of her winning. Her winning entry was selected from thousands of entries sent in by contestants from all over the country. Second place prize is a new Shirley Lee Dress which Dorothy will choose.

Dorothy is a freshman at Canyon High School, a Future Homemaker of America, and her hobby is stamp collecting.

Lions Club Observed Ladies Night Mon.

"Ladies Night" of the Canyon Lions Club was held Monday, 7:30 p. m. at the High School Cafeteria with about 100 Lions and guests present. Boss Lion Bud Hickman presided at the meeting.

Program Chairman, Emmitt Smith introduced the speaker, Miss Waurine Walker, president of the Texas State Teachers Association, classroom teacher of Waco. Miss Walker stressed the importance of choosing qualified persons as teachers today, since teachers today hold a strategic position in influencing world opinion. She emphasized that teachers are dedicated to helping youth find facts and learn truth, but then to teach students to think for themselves.

A group of Amarillo High School students under the direction of Mrs. T. Thompson entertained the group with singing.

Guests present included Mr. and Mrs. Virgil Martin, Mr. and Mrs. T. S. Stevenson, Jr., Mr. and Mrs. L. S. Johnston, Dr. and Mrs. J. A. Hill, Canyon; Ray Daniels, president Down Town Club, Amarillo, and Ed Everts, president South Amarillo Club.

Former Canyon Boy Reported Wounded

Pfc. Albert Roy Speck, Jr., of Amarillo is reported to be wounded as the result of the war in Korea. He is the son of Mrs. Pearl C. Speck of Amarillo.

The family lived in Canyon for several years.

Mr. and Mrs. Henry Gordon, Mr. and Mrs. Warren H. Wilson, Wayne and Joyce of Mobeetie were Sunday visitors in the P. M. Wilson home.

Mr. and Mrs. Afton Williams visited his mother in Clinton, Okla., over the week-end.

Mr. and Mrs. A. B. Berry and Bruce went to Hereford Sunday.

Business Will Be Discontinued WT Homecoming

Business houses in Canyon will be closed Saturday afternoon from 2:00 o'clock until 4:30 o'clock during the Homecoming football game.

This agreement was reached last December by a poll taken by the Chamber of Commerce in its annual survey of holidays which would be observed during the year. Homecoming has been observed by business houses during the past few years.

Business Firms Urged to Enter Floats in Parade

Attention Business men! If you like to have your business advertised, and who doesn't?, you will want to take advantage of the opportunity coming your way this Saturday. That of advertising your business on a float in the Homecoming Parade Saturday morning. For details about the parade and registration of your float, call E. A. Wooten, chairman of parade floats for business firms.

The parade will begin at 10:00 Saturday morning. All floats should be on streets leading into third Avenue between 15 and 20 Streets.

If history bears itself out, the parade this year will be even bigger than the 2 mile one last year. The Santa Fe is sending a miniature, rubber wheeled train. Already the Southwestern Public Service, West Texas Gas Company, Olympic Theater, as well as many organizations have completed plans for their floats.

Get your name in the pot today!

Stork Specials

A son, Joe Bruce, was born to Mr. and Mrs. Ray Schultz on October 12. Mr. and Mrs. A. C. Hess Evers are the parents of a baby girl born on October 13.

On October 17 a baby girl was born to Mr. and Mrs. Bill Gazzaway. Mr. and Mrs. Bud Myers of Lubbock are the parents of a baby girl born on October 9.

Census Estimate Is Now 152,271,000

The census bureau published an estimate of 152,271,000 persons in the United States as a result of the federal census taken this spring.

Published reports on precincts in counties are not expected before spring.

OLDHAM HAD STROKE

Grady Oldham, Amarillo banker, suffered a stroke Monday afternoon and has been in an Amarillo hospital for treatment since that time. He is reported to be improved.

Mr. Oldham was formerly connected with the banks of Canyon.

Mrs. E. T. Cummings and daughter, Lynn, spent the week end at San Saba, Texas with the J. E. Epperson family. Lynn was one of the bridesmaids at Maude Ann Epperson's wedding on Sunday, October 15th.

Jo Beth Warren spent Saturday in Biona with her sister, Mr. and Mrs. John A. Morris and family. Sunday Mr. and Mrs. Morris brought her home.

Mr. and Mrs. A. B. Berry and Bruce went to Hereford Sunday.

Canyon Cooking School will be held on

Thursday and Friday, Oct. 26-27

at the American Legion Hall

in co-operation with electrical equipment dealers in Canyon.

All women are cordially invited. Free daily attendance prizes. Valuable information for all chorants given by Miss Fern Brannen.

Over 6,000 students and exes are expected to be on hand next Friday night and Saturday for the yearly gathering on the WT campus. Plans are now pouring in from all points of the campus indicating that this year's gathering will be by far the largest - if not the best!

Committees, comprised of both students and faculty members, are going ahead rapidly whipping their particular part of the planning into reality. The parade is coming into the final stages, the beaves for the barbecue has been acquired, the wood has been cut, and the dances and student class reunions have been planned.

The most spectacular parade in Canyon's history is in the offing. Ted Reid, an old hand at whipping up parades with plenty of color and class, is again heading the Parade Committee. There will be high school bands from all over the Panhandle; floats from local civic clubs, campus organizations, churches, and businessmen; and a procession of horses and horsemen from far and near.

As always, enough prizes have been offered making it well worth while to enter a good float. The parade will take the same route it has taken for several years: from the intersection of Third Avenue and the Highway up Third Avenue to the corner of Third Avenue and Fifteenth Street, thence to Fourth Avenue, where the route turns east and continues until it reaches the Museum, thence to Buffalo Stadium, where the parade ends.

Following close on the heels of this gala parade will be the biggest barbecue ever prepared on the campus of West Texas State. Fifteen beaves, as compared to only twelve for last year, have been acquired. This week thirty boys and faculty members, including President Cornette, filled three trucks full of mesquite wood and hauled it to the campus.

Milton "Buff" Morris, in charge of this particular end of the preparations says "We'll have plenty for all who show up for this Homecoming. Besides the beef we're cooking all the beans we can, all the apricots we can find, and we will serve all the onions we can get peeled." An estimated 150 students and faculty members will be used to feed the expected overflow of students and exes.

Many clubs on the campus have planned smokers, teas, and many other entertainments for the ex-members who will return for this annual celebration. These gatherings will be from 5:30 until 7:30 Saturday evening.

Mrs. Harrell Shares Summer Experiences With Sixth Grades

Mrs. Ed Harrell held the sixth grade social studies classes spellbound as she related to them some of her experiences from her travels in Europe this summer.

Mrs. Harrell began her talk with a description of the "Queen Elizabeth." The children were especially interested to learn that the ship has eight decks and elevators, that all of the people of Canyon could board the great ocean liner, that the anchors alone weigh sixteen ton, and that there is a special deck where traveling dogs may be exercised.

In imagination the children traveled with Mrs. Harrell on sight-seeing buses to London, Paris, Rome, Venice, Genoa, and through the countries of Belgium, Holland, Germany and Switzerland. Some of the highlights of this tour were the Folies of Paris, the Grand Opera at Rome, the traffic lights on the water streets of Venice, visits to the home of William Shakespeare in England and of Columbus in Genoa.

Fellow travelers of Mrs. Harrell's group were from several states. Mrs. Harrell went by the name of "Texas" during the entire two months.

Mrs. Harrell showed various souvenirs from many countries. Of special interests to the children were pieces of Venetian glass and delicate laces from Switzerland.

The sixth grades wish to extend thanks to Mrs. Harrell for the very interesting hour they spent with her.

Children's Theatre Work Progresses

The Canyon Children's Theatre will not meet on Saturday morning, October 21, because of WT Homecoming activities, according to Carl Michel, director.

Enrollment for this class in creative dramatics must be completed by October 28 in order that definite production plans can get underway. Children, age 7-12, who are interested in Children's Theatre are urged to contact Mr. Michael on or before the above date. So far 30 boys and girls have taken part in the activities at the WT Theatre, acquainting themselves with all parts of the theatre, with theatre terms and beginning the study of acting.

Mrs. Janie Brown of El Reno, Okla., spent the week-end with her niece, Mrs. L. M. Cousins. She left Monday for Carlsbad to visit her daughters.

C. M. Presley and a group of friends from Amarillo attended church in Mangum, Okla., Sunday.

Friday night, the Yearling grid-ders tangle with the Hardin-Simmons University frosh in Buffalo Stadium. Immediately following this fracas, students will adjourn to the bonfire for the annual ceremonies there.

Saturday morning registration will begin the big day's events. At 9:15 o'clock, the chapel which has been recently completed will be dedicated. At 10:30 Ted Reid will start his parade rolling with the barbecue to follow at 11:30, at the tennis courts.

A meeting of the members of the Ex-Student Association has been called by their new executive secretary, Milton Morris. The meeting time is 1 o'clock and the place will be announced that morning at registration.

The Buffaloes of Coach Frank Kimbrough, currently sporting an unblemished record, tangle with the Sam Houston State gridiron eleven at 2:30 in the first meeting between the two schools. The Buffs are a favorite in the Border Conference and Sam Houston is a power in the Gulf Coast Conference.

Two dances have been planned for that night. One, sort of a "dress" affair, will be held in the cafeteria, and the other, of the "western" variety will be held in Burton Gymnasium.

The Western dance, always one of the more popular ones, will feature the music of the famous Range Rider Orchestra and square dance calling will be done by Grady Wilson, Superintendent of Schools of Potter County, a past master at the business who knows all the patter accompanying such festivities. Members of 36 square dance units in the Panhandle have been invited to attend this dance.

Working Committees
These are the committees and their members who are working toward making this one of the biggest Homecomings ever:

OVERALL STEERING COMMITTEE: Lee Johnson, chairman, Ruth Lowes, Boone McClure, Milton Morris, Virgil Henson, Mitchell Jones, W. A. Miller, Tom Langston, Walter Juniper, Ruth Cross, and Vaughn Vandergriff.

BARBECUE COMMITTEE: Milton Morris, chairman, Robert Busted, Aubrey Crossland, Boone McClure, Walter Juniper, Alfred Kiesebach, Virgil Henson, William McGregor, Dale Parvin, and George Vaughn Vandergriff.

PUBLICITY COMMITTEE: Vaughn Vandergriff, chairman, T. C. Brown, Mrs. T. V. Reeves, and Bob Hembree.

REGISTRATION COMMITTEE: W. P. Haggard, chairman, Lucy Mae Yarnell, Mrs. Mary Bragg, Frances Price, Jo Bob Martin.

PARADE COMMITTEE: Ted Reid, chairman; M. E. Cantrell, parade marshal; Jerry Newman and H. T. Carr in charge of bands; Elmer Wooten, in charge of commercial and industrial floats; Win Matster, in charge of club and organization floats in Canyon, and Wendell Cain, in charge of college floats.

FINANCE COMMITTEE: Virgil Henson, chairman, Dr. James P. Cornette, Milton Morris, Walter Juniper, W. A. Miller, and Don Myers.

BAND COMMITTEE: M. J. Newman, chairman, Lewis Stoelzing, Houston Bright, and Bill Davis.

DANCE COMMITTEE: Mitchell Jones, chairman, Ruth Cross, A. K. Knott, Elmer Smith, Leonard Britt, Joe Duioit, Jim Livingston, Burl Simms, Polly Caperton, Shirley Hale, and Patsy Huff.

Kimbroughs Are Honored With Amarillo Reception

Mr. and Mrs. Frank Kimbrough were honored Sunday night between 8 and 10 o'clock by a reception held at the home of Mr. and Mrs. Bob Crudginton.

Several hundred friends of Coach and Mrs. Kimbrough from Canyon, Amarillo, and other Panhandle towns called during the evening to extend congratulations for the success of the Buffalo squad.

Bob Crudginton is an ardent football fan. He was a former member of the Buffalo squad and is president of the West Texas Activities Association.

Local Child Is Polio Victim

Pollyanna Cummins, daughter of Mr. and Mrs. Aaron Cummins, is in the polio clinic in Plainview. The 8½ year old girl took sick a week ago Saturday. Last Wednesday she was taken to Plainview where it was affirmed that she had a mild case of polio. On Monday she was reported to be doing fine.

We Preach One Thing in Texas; And Practice Another Thing

Ho, Ho, what is this we hear! The United Nations, backed by good old USA, protesting the elections in Eastern Germany. Why? Simply because there is JUST ONE TICKET printed on the ballot.

That was decided in Moscow, simply because Joe Stalin was fearful that his commie candidates might be whipped in the elections. Yes, sir, we demanded a free election where all candidates would have an equal chance.

That is, we believe that this is good stuff when it applies to Moscow, but very, very poor taste when applied to Texas.

We are seeking to tie the voters of Texas to the Democratic party long before they cast a vote in the general election. We do that by the simple method of demanding, in advance of his vote, that he support a Democrat in the general election, regardless of who that Democrat may be.

Let's be sensible about this. Just what is the difference between the Democratic tactics in Texas and the Communist practices of Russia?

Naturally no one in Texas would dare profess to see any similarity between the two. The commies have been outlawed by Congress and that should be enough to satisfy any good Democrat.

We have chased all other parties from the general election ballot, except the Republicans, who have put out candidates for all state offices year after year. It would hardly be wise to attempt to chase G. O. P. off the ballot, and so far as we know no one has ever advocated such a ruthless manner of treating the Republicans.

In other elections we have been more lenient toward the minority groups than in 1950.

We are not fighting for any Republican candidate in particular, but we intend to be good Americans and vote for the man whom we deem is the best qualified for the position. Ben Guill is the only Republican candidate who measures up to this standard, according to our opinion.

We have objected for years to this silly practice of tying the hands of the voters in the Democratic primaries through this entirely un-American practice of extracting a pledge for future support when the voter goes into the primary.

Of course the good old Democrats who have always voted the ticket straight and rebel at the very thought of voting for a Republican, although he has been a Republican for only 10 years since the Democratic party was taken over by the left wingers. They will throw a fit and say that we are Republican by nature.

We have as good a Democratic background as any voter in Randall county and have almost as good a record of supporting the ticket. We even supported Al Smith when the majority of the Democrats of Randall county violated their pledge and supported Herbert Hoover.

We do not know whether any other Democrat in the 18th Congressional District feels like we do, since that is their business, and they have a right to vote for whom they please. But so far as we are concerned, we intend to vote for one Republican in November, and we are doing this simply because he is the best candidate seeking the job. His name is Congressman Ben Guill, if you are unaware of whom we speak.

We Are Expected to Do Less Business, and Pay More Taxes

It is an assured fact now that spending will be reduced to a minimum and restrictions will be re-imposed upon the citizens of America so that the defense program may move forward. It is evident that some one in Washington is now fully aware of the danger to America and is willing to go all out in defense.

In the future, you will not be allowed to spend as you please, and to incur debts as you please.

From now on, you will feel the pinch of war as your pay check will be reduced considerably. You will have less money to spend than you have had in the past. While the administration piles up rules which will prohibit any one from making money, at the same time it demands more and more taxes.

Your taxes, both local and federal are going up, and will go higher. We have a tragic debt to pay, and the only way your government has to pay debts is to get the money out of your pocket.

While every good American has deplored the manner in which federal money has been wasted in the past, there is no use crying over what has happened. We have a peace to win—and to pay the price of two tragic wars, as well as prepare to evade another World War.

Stassen Pulled a Bone In Asking For Peace Talk With Joe Stalin

It seems that Harold Stassen is wrong in writing to Stalin asking for a conference. An old law has been dug up which prohibits any citizen from going before a foreign power without the direct appointment of the President.

Stassen was either ignorant of such a law, or else he is playing dangerous politics. While we doubt very much that there might be anyone connected with the government who would have the nerve or the disposition to punish Stassen for making a peace gesture, we consider it a very unwise move.

Naturally every American wants peace. No one could argue against peace, but there might be a demand of peace at any price from those who do not understand that Stalin is always willing to trade, provided he gets his own way in every deal. One of the prime reasons that Stalin will not leave Russia for so-called peace talks is that he can talk better in his own surroundings.

Stassen would probably fare no better in peace talks than did Roosevelt or Truman when they met Stalin.

Red Shirts Should Be Controlled Or Disbanded at Texas Tech

We hope that the time will never come when we become ashamed and humiliated at the action of either the Buffalo athletes, or the student body in their treatment of visiting teams or visiting spectators.

We have followed the fate of the Buffaloes for 40 years, and never has our faith been shaken, or have we been ashamed of action of the players and spectators as a whole. We have seen the Buffaloes in defeat as well as in victory, and have been genuinely proud of their performance.

So far as the unhappy situation down at Lubbock Saturday night was concerned, it was a disgrace to the name of Texas Tech, which professes to be such a great college. Its athletes think they are big enough for a place in the Southwest Conference. Their actions belie their ambitions.

It would seem from reports of unbiased spectators that not only the team, but the spectators as well considered it an insult for the Buffaloes to defeat the Red Raiders. If they could not win on the field, they wanted revenge off the field. Led by the Red Shirts, they sought to take revenge against members of the Buffalo Band. The Red Shirts are well named. Whether they be Red Shirts, or Black Shirts, or Brown Shirts, the mob of hoodlums appear just the same.

This is the same group which came to Canyon before a basketball game to paint the buildings red and to deface property; it was the same bunch which caused \$800 damage to the street decorations in Dallas this fall; while the physical damage against the Buffalo Band was small, due to the fact that the band boys and girls refused to fight back, the spirit was just as bad as if they had entirely demolished the instruments of the band.

If Texas Tech authorities cannot control such groups of students, there should be a wholesale expulsion.

West Texas State is a small college, but only ladies and gentlemen are found on the campus.

Truman and MacArthur Meeting Gets Powerful Leaders Together

No doubt you were surprised at the meeting between President Truman and General MacArthur. By right of his office, Truman is the most powerful man in the world; and by right of his command over the United Nations forces, MacArthur is the most powerful military leader in the world.

MacArthur is under the command of Truman. His head could be chopped off and he could be retired from active service upon word from the President.

We hope that the president will not assume that he knows more about military tactics than does MacArthur, who comes from a long line of military men.

On the other hand we hope that MacArthur will not get the notion that because of his standing as a military genius that he is likewise a statesman of unquestioned ability and training.

MacArthur knows the people of the East, or at least he should know them better than Truman, who got his training in Missouri politics.

While it has been charged that MacArthur is ambitious to be president we doubt this very much. He is too much of a military man, and has lived too long under military rule and procedures to make a good civilian official.

All that any ordinary human being may hope is that these two personalities may become better acquainted, and reach a better understanding of the problems of peace as well as of war. Perhaps both have been fooled about the preparedness of the Reds to wage war. MacArthur has showed up the Reds' weakness in Korea. Maybe Moscow will be satisfied that Russia is not able to stage a full dress war, and again she may think that she is powerful enough to catch us off balance in staging a quick offense.

The situation is loaded with dynamite, to say the least.

Congratulations to Dr. J. A. Hill For Another Fine Work

Congratulations are in order for Dr. J. A. Hill for another fine improvement to the campus of West Texas State College.

During the 40 years of history of the college Dr. Hill has poured out his life to make this a great institution. He is a religious man. His latest achievement was to place on the campus a Memorial Chapel which will be dedicated to the religious atmosphere of a great institution.

West Texas State is counted as a small institution. It may be small in number, but it is great in spirit. It has produced men and women—great citizens, who stand for law and order, and are devoting their lives to the upbuilding of a moral and religious atmosphere of the communities in which they now live.

Dr. Hill has performed another fine service to the College and to Canyon in his foresightedness in erecting a Chapel which will be an inspiration to the religious development of the college and to the entire community.

Homecoming Will Be Greater Attraction For 1950 to the Exes

Homecoming is always a great event in Canyon. It will be another great event on the coming Saturday when thousands of exes will return for the annual celebration.

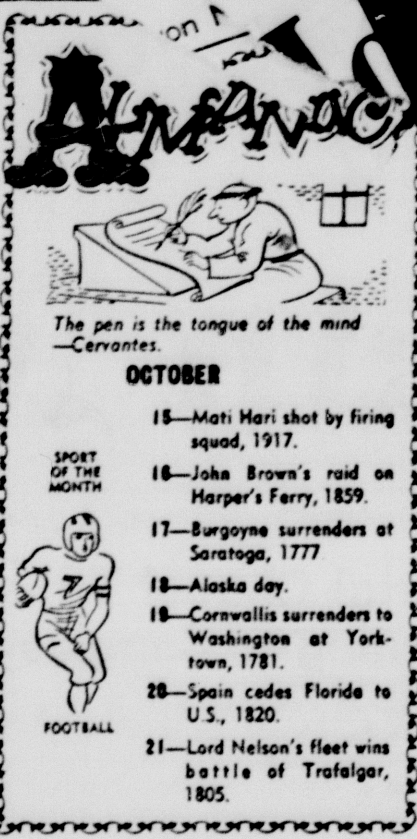

Homecoming will have greater appeal to the exes this year because the Buffs will be playing their last home game in Canyon for 1950. A number of Buffalo players will be making their last appearance before home folks.

The Buffs will be only half way through their schedule, with two more vital Border Conference games to play. Regardless of whom the Buffs may meet and where they may play, they will be the No. 1 attraction of the season because of the stunning defeat administered to Texas Tech. (We hope the boys will repeat at Amarillo Saturday. The tragedy of writing this column Wednesday afternoon is that it is stale in facts).

We suspect that the Chinese and Russian communists would be delighted to see somebody stop the United Nations forces but, so far, each is willing to leave it to the other.

The United States has long ceased to be a representative republic—it is now ruled by a combination of minority groups that have scared the politicians stiff.

Nothing increases the admiration of children for their parents like a large estate for division among the heirs.

KEEP BEN GUILL IN CONGRESS

Bascom Timmons Speaks---

Here is what Bascom Timmons, veteran Washington newspaper correspondent and Panhandle citizen since 1891, has written about BEN GUILL:

"The 18th Congressional District will do itself a great disservice if it does not re-elect Ben Guill. I have been in the Congressional press galleries for nearly 38 years. I have easily seen 3,000 members of the House of Representatives.

"GUILL HAS GOT OFF TO THE BEST START OF ANYONE I HAVE EVER SEEN COME IN."

Congressman Ben Guill

Let's Keep Ben Guill Working For Us In Washington

BEN GUILL, as a member of the powerful House Committee on Agriculture, has fought the battle of the Panhandle farmer in Congress. No Democratic Congressman from the Panhandle could hope to be assigned to the Committee on Agriculture for at least ten years. BEN GUILL is already on that Committee and will stay there after his re-election.

BEN GUILL, in his five months in Congress, has voted in accordance with his convictions and with what he considered best for the Panhandle. He has never followed — never will follow — the dictates of any political boss.

BEN GUILL went to the people of the Panhandle — at his own expense — to find out what they are thinking and what they want in the way of government.

BEN GUILL has not hesitated to speak out fearlessly on the floor of the House of Representatives. He was one of three Texas Congressmen to speak against the theft of the Texas tidelands. He was the only member of the House of Representatives to defend General MacArthur against the State Department attacks.

BEN GUILL says:

"It's about time the political parties start pledging THEIR support to the people instead of demanding that the people sign pledges that they will support THEM.

"In a time of national emergency we should not ask a man if he is a Democrat or a Republican — we should ask only if he is a GOOD AMERICAN. We have no place now for partisan politics or even bi-partisan policies. We have a place only for NON-PARTISAN AMERICANISM."

LET'S VOTE PANHANDLE --- LET'S RE-ELECT BEN GUILL TO CONGRESS

Tuesday, November 7th

Dickerson-Bosley Vows Read in Home Ceremony

The home of Mr. and Mrs. W. D. Walker, Jr., 900 Seventh Ave., was the setting for the wedding of Miss Fay Dickerson, daughter of Mr. and Mrs. W. M. Dickerson, and Max Bosley, Jr., son of Mr. Max Bosley, Sr. The vows were exchanged Sunday morning, Oct. 15, at 9 o'clock in the presence of the immediate families and close friends of the couple.

For the reading of the double-ring service, by Rev. T. Winston Wilbanks, pastor of the Presbyterian Church in Canyon, the couple stood between large baskets of yellow and white dahlias and chrysanthemums flanked by candelabra of lighted tapers. Miss Wanda Jean Edwards lighted the tapers.

Mrs. Clinton E. Miller of Happy, twin sister of the bride, was matron of honor. She wore a toast crepe dress with matching brown accessories and carried a colonial nosegay of seasonal flowers. Little Miss Judy Walker, niece of the bride, was flower girl. She wore an emerald green velvet dress and carried a miniature nosegay, identical to that of the matron of honor.

Merle Dickerson, brother of the bride, was best man.

The bride, who was given in marriage by her father, wore a navy taffeta dress with rhinestone trim and black accessories. She carried a white Bible topped with baby's breath and white satin streamers. Tucked in the leaves of the Bible

was her maternal grandmother's hand-drawn wedding handkerchief.

For her daughter's wedding, Mrs. Dickerson wore a green print silk with a white carnation corsage; Mrs. Bosley, grandmother of the bridegroom, also wore a print silk with a corsage of white carnations.

Following the ceremony, a reception was held. The lace covered table was centered with the matron of honor's flowers and white tapers in pale yellow holders.

Miss Ema Gene Zachry served the coffee and Miss Chloe Ann Black served the yellow and white bride's cake. Miss Cecelia Bosley, cousin of the bridegroom, registered the guests.

Mrs. Bosley was graduated from Canyon High School in 1949 and has attended West Texas State College where she was a twirler for the Buffalo Band.

Mr. Bosley was graduated from Canyon High School in 1944. During World War II he served twenty-one months in the Gilder Corps, having spent part of that time in Germany and Holland.

For traveling to Salt Lake City, Utah, Mrs. Bosley wore a tan suit with brown accessories and an orchid corsage. The couple will be at home at 1504 Seventh Ave., Canyon, Texas.

On Wednesday afternoon, October 11, Misses Wanda Edwards, Ema Zachry, and Chloe Ann Black were hostesses for a personal shower honoring Fay Dickerson, bride-elect of Max Bosley.

The honoree's colors of yellow and white were carried out in flower decorations throughout the entertaining rooms and in the refresh-

ments. The serving table laid with a lace cloth was centered with yellow baby chrysanthemums flanked by white tapers. Miss Wanda Edwards presided at the punch bowl. Refreshments of punch, cookies, mints and nuts were served to approximately 20 guests.

TEL CLASS INSTALLS NEW OFFICERS MONDAY

Members of the TEL Class of the Baptist Church met in the church parlor Monday, October 16, for their monthly business and social meeting. The meeting was opened with prayer and the class song, "My Faith Looks Up to Thee." Mrs. J. T. Cartrite brought the devotional.

Mrs. J. I. Payton, program chairman, asked Mrs. Roy L. Johnson to install the class officers for the coming year. Those taking part in the service were Mrs. S. L. Terry, teacher, Mrs. W. T. Davis, class president, Mrs. J. I. Payton, program chairman, and Mrs. J. C. Dowd, secretary. Mrs. Terry closed the service with prayer. Mrs. Johnson then showed pictures which they had made on their trip to the Baptist World Alliance.

At the close of the business session, hostesses Mrs. C. W. Dunn and Mrs. L. H. Crawford served refreshments to Mrs. Terry, Mrs. Cartrite, Mrs. Davis, Mrs. Dowd, Mrs. R. E. Gill, Mrs. Payton, Mrs. R. C. Yarbrough, and Mrs. Whitfield.

FAIRVIEW GIRLS 4-H CLUB MEETS WITH MRS. EVANS

The Fairview Girls 4-H Club met at the home of Mrs. Richard Evans Thursday afternoon, October 12. Officers elected for the coming year were president LaQuita Patterson, vice-president Mickey Bryan, secretary and treasurer Billie Bryan, reporter Nan Earley Shipman.

Plans were made for the Halloween Carnival that the girls will sponsor on Saturday evening, October 28, at the Fairview school house. The girls drew for club mothers.

Refreshments were served to the members Naomi Hickey and Billie Bryan, LaQuita, Betty Sue and Patricia Patterson, and Nan Earley Shipman, to Mrs. Richard Evans, sponsor, and visitors Mrs. John Patterson, Doyle and Lee Draw Bryan.

ALL SAINTS' EPISCOPAL GUILD MET OCTOBER 10

The All Saint's Episcopal Guild met in the home of Mrs. Fred Jennings Tuesday evening, October 10. Mrs. C. L. Joyner reported on the Summer Conference of the Women's Auxiliary held in Amarillo in June. Mrs. Frank Kimbrough reported on the regional meeting held in Lubbock on October 9. After the business meeting refreshments were served by the hostess to the following members: Miss Joann Cooley, Mrs. Frank Kimbrough, Mrs. W. E. Parker, Miss Jane Darland, and Mrs. Charles Joyner.

PINK AND BLUE SHOWER HONORS MRS. BILLY FULCHER

Mrs. Billy J. Fulcher was honored at a pink and blue shower recently at the home of Mrs. Thomas J. Lynn, 2804 Monroe. Mrs. L. F. Lynn was assistant hostess.

The honoree was presented with a corsage, a gift from the hostess. The entertaining rooms were decorated with fall flowers. Refreshments of individual cakes, mints, nuts, and coffee were served. Twenty-four guests called or sent gifts.

THE C. G. POND FAMILY ENTERTAINS WITH ROUND-UP

Mr. and Mrs. C. G. Pond and sons entertained Sunday with an old-fashioned Round-Up at their ranch. One of the highlights of the day was the good old chuck wagon dinner cooked by Everette Trout, chief cook. He was assisted by his son Wayne who was dishwasher. The ladies brought pies and cakes.

In the afternoon the men branded cattle while the ladies and children watched. Later the children rode horses and went hunting with their BB's. In the evening fifty-two guests went back to the chuck wagon for more chow.

CITATION BY PUBLICATION THE STATE OF TEXAS

To: N. A. Jackson, his unknown heirs and legal representatives, and Mrs. N. A. Jackson, her unknown heirs and legal representatives, Defendants, Greeting:

You are hereby commanded to appear before the Honorable 47th District Court of Randall County at the Court House thereof, in Canyon, Texas, at or before 10 o'clock A. M. of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being the 4th day of December, A. D. 1950, then and there to answer Plaintiff's Petition filed in said Court, on the 11th day of October, A. D. 1950, in this cause, numbered 2241 on the docket of said court and styled Troy F. Jones, Plaintiff, vs. N. A. Jackson, his unknown heirs and legal representatives, and Mrs. N. A. Jackson, her unknown heirs and legal representatives, Defendants.

A brief statement of the nature of this suit is as follows, to wit: This is a suit to foreclose a paving lien against Lot Number Two (2), Block Number Five (5) of the Gables Addition to the City of Amarillo, Randall County, Texas, as evidenced by a certificate of special assessment issued pursuant to Ordinance No. 1744 enacted by the City Commission of the City of Amarillo on the 7th day of December, 1948, said special assessment certificate being owned by the plaintiff herein and being in the principal sum of One Hundred Sixty-five and 1-100 Dollars (\$165.01), being due and payable upon the terms and at the rate of interest in said certificate and ordinance provided. The defendants are the owners of the property above described, as is more fully shown by Plaintiff's Petition on file in this suit.

The officer executing this process shall promptly execute the same according to law, and make due return as the law directs.

Issued and given under my hand and the Seal of said Court, at office in Canyon, Texas, this 17th day of October, A. D. 1950.

Attest: T. H. LAIR, Clerk, 47th District Court, Randall County, Texas. By Margrethe Taylor, Deputy.

Engagement of Sue Jennings Announced Sun.

The engagement and approaching marriage of Miss Sue Jennings, daughter of Mr. and Mrs. R. A. Burrus, to Baxter Lambert of Sweetwater, was revealed Sunday afternoon at a tea in the home of her parents.

The guests were greeted by Mrs. R. A. Burrus, the honoree, and Mrs. J. W. Bourn. Betty Burrus sister of the honoree secured names at the guest book.

Arrangements of various cut flowers were featured throughout the entertaining rooms.

Laid with a white linen cloth, the serving table was centered with an arrangement of blue mums. Blue and white ribbons, tapers and bells completed the table decorations.

Refreshments of miniature cakes, mints, and mixed nuts were served to forty guests.

Assisting in the house party were Mrs. J. A. Strain, Sara Bonnie McNeill, Mrs. Metz LaPollette, and Peggy Jean Moore.

The wedding vows will be exchanged Saturday evening, October 21, in the J. W. Bourn home at 1214 5th Avenue.

E. C. Penry Jewelry Co. Are Reliable Amarillo Jewelers

When buying jewelry, whether it is the humble cuff links or a diamond solitaire, the average person must depend upon the integrity of his jeweler. This trade area is fortunate in having the E. C. Penry Jewelry Company, now located at 309 Polk St. in Amarillo, who specialize in remounting of diamonds and other precious stones. For a small amount you may have your old rings made into the very newest and up-to-date fashion. Notable is the fact that all work is done in their own shop.

The stock carried by E. C. Penry Jewelry is a well selected one, having been purchased with special care for this trade area. Currently the store carries a large assortment of ladies' and men's watches, which are priced most reasonably, in addition to an extensive line of silverware and a splendid stock of jewelry including rare and precious stones.

For gifts you will find it a pleasure to make your selections from the E. C. Penry Jewelry Company. Whether it be wedding, graduation, birthday gifts, or just a bridge favor, you may depend on it that you will find something to attract your eye, and fit your purse.

This store now located at 309 Polk in Amarillo, has served this area for many years and over that period has retained the original standard of furnishing the public with gems and gifts at prices commensurate with the quality. The goodwill of all customers speaks well for the reliability of the E. C. Penry Jewelry Company who so conscientiously serve their customers' needs.

Here's How It Happened

SCOOTER BILL CROSS, small but mighty fullback of the 1950 WT Buffaloes here evades a desperate tackle-attempt by Tech's Tim Hatch (no. 10, on the ground), and faces Denton Lambert (no. 30) who guards the portals to the Tech goal line. Cross scored three touchdowns in West Texas State's 28-13 victory Saturday night in Lubbock.

Anderson Mattress Co. Earns Praise Of All Customers

A foremost concern that has earned the credit of people in this trade area is the Anderson Mattress Company, located at 207 N. Tyler in Amarillo. This prominent organization features a complete service in the manufacturing and renovating of sanitary and comfortable mattresses that are conducive to restful sleep.

Felting is a specialty of Anderson Mattress Company and they make a point of giving the very best service on renovating. The plant is completely equipped with modern machines for the production of quality mattresses and inner springs of all sizes. This concern is giving the best service and then you fall into a bed equipped with one of their mattresses you will awake refreshed and ready for the day's work.

The management of the Anderson Mattress Co. has done a remarkable job and have witnessed a gradual rise in the volume of their business. Many people who have been steady customers are high in their praise and gladly give this fine firm "word of mouth advertising."

The Anderson Mattress Company are vitally interested in this area and are always glad to send a representative to discuss any of their work. A telephone call to Amarillo 3-8313 or a card addressed to P. O. Box 802 will bring a member of the firm to your door without obligation. This representative will go into all the details of renovating your old mattress or manufacturing a new one for you to your individual specifications.

Texas Drys Holding Annual Meeting in Waco This Week

The Annual Convention of United Texas Drys, the alcohol and temperance education organization of the dry forces of Texas, will be held in Waco on Oct. 18-19, according to announcement of Dr. Walter McKenzie, Executive Secretary.

For fifty years this organization has been growing in favor with Texans as it has sent field workers to various sections of the Lone Star State to aid in educating the people about the real conditions of the traffic in beverage alcohol, from light beer to hard whiskey. Its monthly paper, "The Crusader," reports that there are now 140 counties in Texas legally dry, with 84 part dry and only 30 all wet. The Joe Belden poll definitely indicates that if the people of Texas had opportunity to vote and exercised their privilege, they would vote the legal sales of all kinds of liquors out of the state.

Many important questions will be discussed at the Convention, and representatives are expected from every section of Texas.

Work Of Bright To Be Presented By Philharmonic

Plans to present "Symphonic Dance" by Houston Bright of the West Texas State faculty, in one of the Amarillo Symphony Concerts are being developed by A. Clyde Roller, director. If possible the West Texas State chorus will be included in the program for March 18. Mendelssohn's "Elijah" is to be presented at that time.

Several students and faculty members from the college are playing in the orchestra. The Amarillo Symphony also provides scholarships to students playing in the orchestra and studying at WTSC.

Scheduled by the symphony for this season are Helen Traubel, soprano, Wednesday, November 1; Amarillo Symphony, Wednesday, November 15; Alec Templeton, pianist, Tuesday, November 21; Symphony and Chorus in Handel's "Messiah," Sunday, December 10; Symphony, Tuesday, January 9; The Revelers (Male Quartet), Monday, January 22; Symphony, Tuesday, February 20.

Symphony and Chorus, Mendelssohn's "Elijah," Sunday, March 12; Hildegard, Thursday, March 29; Symphony, Tuesday, April 3; Jeanette McDonald, Wednesday, April 18; and Symphony, Tuesday, May 8.

Tickets may be secured at the Southwestern Public Service Company at Fifth and Polk, Amarillo. Also, the WTSC music department faculty will accept money for tickets and try to secure seats for those desiring them.

WOULD BE TRAGIC

ONLY FATHER

He: "Say, who is that funny looking fellow who drives your car and works around in the garden? He always frowns at me whenever he sees me here?"

"Oh, don't mind him. That's only father."

Pulse takers and poll makers for the Democratic Party are more optimistic in reports to the White House. The party's top forecasters now predict that Democrats will retain control of both houses of Congress although losing some of the existing majority.

President Truman, in looking over his control powers and their possible use, has his eye centered on steel and clothing in particular. If price control is tried, those are top candidates for the first controls.

Mao Tse-tung, China's Communist ruler, is closer than ever to a seat in the United Nations under a deal that is cooking. Mao is to trade a promise to keep China's main armies out of Korea for a chance to become a member of the big international club. Actually, China's No. 1 Communist is afraid of war with U. S. under almost any circumstances.

Joseph Stalin and his Communist promotion department are directing large numbers of Korean Communists, recently fighting in Communist armies, to go underground and to get set for revolutionary activities in the future when the heat is off. Communist soldiers, in evidence one day, often have disappeared the next.

Taxes Big Bone of Contention in Control Congress

The Opinion Research Corporation recently conducted a survey on taxes. And here are some of the results:

86 per cent of the people interviewed felt that spending should be cut before taxes were raised.

54 per cent agreed that high taxes discourage investors from risking their money and companies from expanding.

70 per cent believed that general government expenses should be reduced.

89 per cent were surprised and shocked to learn that hidden taxes on a 15 cent loaf of bread total five cents, and that taxes on a \$2,000 car amount to about \$500.

There is nothing academic about the tax issue today. Higher Federal income taxes went into effect on October 1. It is widely forecast that this—in the light of soaring military budgets—is only the beginning and that higher taxes still will be imposed on both individuals and corporations. Yet, in the face of that, the pressure for unnecessary domestic spending is unabated. Those who want socialized business, British-type social security, socialized medicine, and all the other alien projects, are still in the running.

At best, the burden of remobilization will be enormous and debilitating. If, on top of this, unbridled domestic spending continues, the result could be ruinous. It could lead to uncontrollable inflation and an impossible drain on the manpower and industrial capacities of the nation. In the name of survival, the government must be forced to cut its cost to fit its cloth.

Stuart Symington, Resources Board Chairman, has had great difficulty trying to recruit businessmen to help him run coming new controls over business. Labor organizations, at the same time, are offering candidates for all of the jobs that will be important when regulations start to bite.

A Guy Can Dream, Can't He?

A TOSS UP

Pat was engaged putting a water main into the poor house. Saturday came and the boss saw Pat dolefully examining his pay packet. "Mistake in your wages, Pat?" he asked.

"Oh, no," said Pat, "but I was just wondering whether me or the water would be in the poor house first."

Mr. Truman is described as convinced that his strategy on the Taft-Hartley Act is to pay off in Ohio. Strategy called for no change, short of outright repeal, in the Act bearing the name of Senator Robert Taft and strongly opposed by labor. Senator Taft, who favored modifications in the Act, was kept from getting them. Taft-Hartley issue in that way was kept alive for the 1950 campaign.

Tolliver, Moore To Baylor Meet

Crannell Tolliver, head of the speech department, and William A. Moore, speech professor, both of West Texas State, will represent WT at the Baylor speech convention, October 21. Paul Baker, director of the Baylor Theater, invited them to be on the panel at the convention.

John Ray Young, director of the Shreveport Little Theatre, will discuss the possibilities of establishing a national theater for amateurs. Mr. Baker will present a new play, an original, written by a student at Baylor. The play deals with folklore.

Mr. Moore has been asked to represent the Amarillo Little Theater at the convention.

Thomas E. Dewey, New York's Governor, is convincing politicians that he has his eye on the 1952 Republican presidential nomination by his changed campaign technique. Dewey has become very "folksy" in his approach to voters and is really working at the job of making votes instead of holding aloof and above the clamor of political combat.

Some White House political aides are chuckling over "Truman luck." They discover that Gen. Douglas MacArthur, a Republican and not a White House favorite, plus the Navy and Marines that were on the President's black list, engineered the breaks in Korea that improved the political outlook for Mr. Truman.

LIGHT • MEDIUM • HEAVY MODELS
Made in widest variety of engine-body-chassis combinations to fit every trucking need.

Think twice today when you buy a truck!

THAT new truck you're considering may have to last a long time. So you'll be wise to look at a GMC for these important reasons:

GMC's are built by the world's largest exclusive manufacturer of commercial vehicles — with the broadest truck engineering experience.

GMC's are real trucks. Engine, transmission and frame, as well as cab and axles, are all specially truck-built to give you longer service.

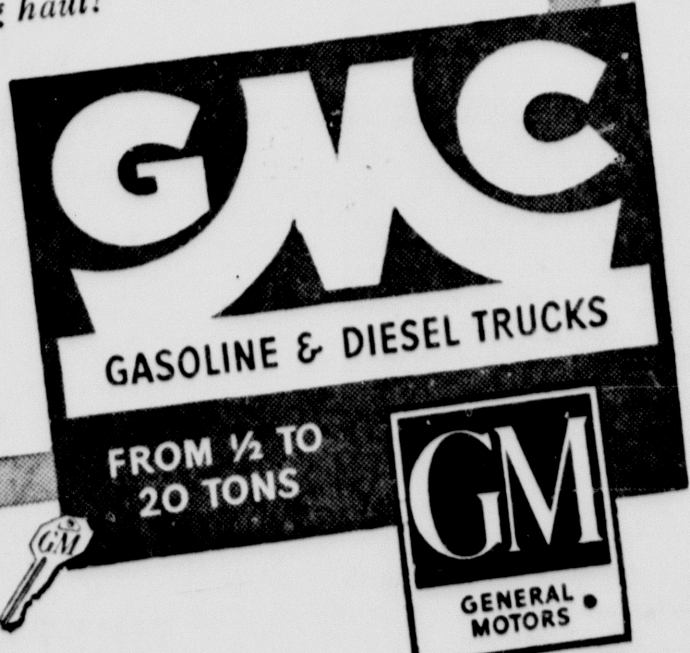

GMC truck-built engines have high horsepower with higher sustained torque—greater pulling

power. They are built to give extra years of service with less maintenance.

GMC extra-value features include Synchro-Mesh transmission, Tocco-hardened crankshaft, full-pressure lubrication, recirculating ball-bearing steering gear, airplane-type bearings and Lifetime Weathersealed cabs as standard equipment on practically all models from 1/2 ton up.

That's why more truckers are buying GMC's today than ever before—experience proves them best in the long haul!

Get a real truck!

Lack of Herefords Disappointment to Mrs. Harrell

Mrs. E. D. Harrell stated that the greatest disappointment of her two months spent in Europe this summer was the fact that she did not see Hereford cattle in England, the native home of the Herefords.

Mrs. Harrell spoke Tuesday at the Rotary Club luncheon, relating experiences of her two months trip. She was on a conducted tour, under the direction of an experienced guide with six men and fourteen women.

The tourists are leaving more money in Europe than the Marshall Plan, was her deduction.

Mrs. Harrell was introduced by Dr. J. A. Hill, who invited the people of Canyon to the preview of the chapel building Friday afternoon and the dedication services Saturday morning.

During the tour the party was in

a different place every day, and for that reason it was impossible to keep up with all of the places of interest.

In Rome the party saw the opera, which was much grander than that put on in New York; the party visited the Passion Play, which was most impressive; and in London heard the greatest preacher in Europe, according to authorities.

In Amsterdam the group talked with the manager of a 250 acre farm which supported 52 families. There they visited the flower auctions, which were conducted like the cattle auctions of America. The buyers shipped flowers by plane to all parts of the world.

The ever present bicycle was a mystery to Mrs. Harrell. Two men of her party were hit and run down by bicycles.

Everywhere they went in Europe they found things spotless, and no flies were to be found.

The greatest sight of the entire trip was to return home in Canyon, stated Mrs. Harrell.

Visitors were: J. Harry Brown,

John Hill, W. F. Perkins, Bill Dell, W. H. Terry, Forrest Barnes, Herman Ford, Frank Storm, Jr., Guy Carlander, Shelby Kritzer, J. O. McGuire, Guy Saunders, Major G. B. Potter, Sgt. C. J. Hoff, Ben Stone, Oscar Schilling, all of Amarillo; C. H. Bryan of Houston; Tom Hill of Jubbelpore, India; S. B. Johnson of St. Louis.

Dr. Ima Barlow Tells of Trip to Europe

A tour of ten nations was the summer "busy work" of Dr. Ima C. Barlow, who now qualifies as one of the most widely traveled of WT professors.

After almost 20 years of teaching WTExans the finer points of English history, Dr. Barlow realized her life's ambition—a tour of England and Europe. She was accompanied on the trip by Misses Wilma and Beryl Hixson and 23 other persons from almost every area in the United States.

The trip was made more interesting by the variety of interests represented by the 26 persons in the group: five were school teachers, a newspaper man and his wife, a doctor and his wife, a citrus fruit grower, a banker, an implement dealer and an oil man.

From the time the Queen Elizabeth left New York on June 1 until the group departed in New York on August 21 there was hardly a dull moment. The first two weeks were spent in England and Scotland, with several days in London where Dr. Barlow visited with friends.

Although every place had its own personality, Dr. Barlow feels the group enjoyed England most because of the language they made it possible for them to understand more fully the people they were meeting. Of course Dr. Barlow enjoyed the trip through England and Scotland because of her deep interest in their history.

Dr. Ima Barlow points to one of the many stops she made on last summer's European trip. She spent several days in London visiting friends, before continuing on to the continent. Her travels make her one of the school's most-traveled faculty members.

men, about 25 or 30 years of age, began talking to Dr. Barlow and the others, none of whom could do much about understanding them. Finally one of the boys said "We are trying to learn English. We want to practice."

The museums are not like those here. Instead whole buildings are brought in to the folk museums which cover several acres. In the one at Oslo there are several old houses and a church.

In Denmark and Holland Dr. Barlow received the impression that transportation there is not based on the motor vehicle as it is here, but on the bicycle. Most of the traffic laws are written for bicycles and modified for automobiles. Just the opposite of our motorized nation. When she is clock while the streets are crowded with the noise of the homebound working people.

Next on the schedule was a trip down through Western Germany to Switzerland, where the main point of interest was the city of Lucerne.

Located on the edge of the lake, the city is one of the most unusual in Europe. Perhaps one of the main sights in Lucerne is the Tower Bridge, a covered one much like those of Irving's "Legend of Sleepy Hollow." Blung on the rafters are paintings representing the history of Lucerne. Somewhat morbid, but equally interesting is the covered bridge called the Dufour of the Death, in which paintings represent the various forms of the deadly head. The Tower Bridge dates in Lucerne, under back to the 1300's.

The "highest point" of the trip through Switzerland was the train and cable car ride to the top of Jungfrau, a mountain known for its exciting views and challenge to mountain climbers from over the world.

Dr. Barlow says she especially enjoyed the world famous Passion Play at Oberammergau, which was up to all her expectations.

When it came to the Romans, as Dr. Barlow went with them to the opera in the ruins of the old Baths of Emperor Caracalla. She went once, because she felt it was the thing to do, and went back each night they were in Rome. The opera at the Baths, part of the Roman way of life, has for its back drops the ruined walls, with the amphitheatre built up on timbers on the ruins of the old baths.

"Rome," Dr. Barlow says, "should always be interesting, but was particularly so, this being the Holy Year for the Catholic Church." One of the public audiences of the Pope was attended by the group.

The French portion of the trip was highlighted by the old walled city of Angoulême, with the Pope's Palace and the old Roman aqueduct, and Paris with everything that is Paris.

Throughout the trip Dr. Barlow tried to limit her purchases in the shops on their shopping tours to items which were characteristic of that section and its people. As a result she bought and brought back English pottery ware, articles of Swiss glass, German hand carved wood, Florentine leather work, Delft ware from Holland and "what could be more Parisian than perfume."

Shopping is one way, perhaps the best, to really get to know the people, for the shops, the articles in them

LEGATISTIC LADY

Five-year-old Thomas was extremely fond of carpentering. Attached to his carpenter's apron and carrying this tiny kit of tools he approached his mother Margaret, aged seven and inquired if there wasn't something he could build for her.

Margaret regarded the tiny workman with an indulgent eye and softly replied: "Well, I would like a doll's house, but I don't want to employ child labor."

Klock Construction Co. Aids Progress

Probably no concern deserves the patronage and support of the people more than The Klock Construction Company, with offices located at 2200 W. 8th in Amarillo. This firm has been in business for a number of years and over that period of time has contributed greatly to the growth and progress of the entire Panhandle.

Primarily noted as excavating, paving and grading contractors, the Klock Construction Company are second to none in equipment and experience. The manner of equipment is an important one in any excavating or paving contract. When you use the services of this firm you may be sure of adequate facilities needed to do a first class job in the shortest space of time. They have handled some of the most important work in this locality which has proved to be of real satisfaction to the builders. Klock Construction Co. handle the smallest job with as much accuracy and care as they devote to the large contract. Getting work done when wanted is at them, especially today, when sudden building decisions are made and time is a factor. Especially is this so in public contracting work and the saving of funds to city, county and state governments.

It is the firm belief of this writer that the Klock Construction Company are deserving of more than this passing notice. They should have the best wishes of the residents and businesses alike throughout the entire Panhandle.

One thing that could hardly be overlooked on the trip was the curtains and their reflection of the seasons they were in. In England the curtains are made out of most anything the originals being ruined by the German bomb-bomb damage, and all textile production, like that of many other products, being held for export and withheld from the home market.

The hotel rooms are almost entirely hand embroidered linen and often artwork. Even the tables on the trains of Switzerland are hand embroidered linen.

So there you have a small portion of the story of the culmination of Dr. Barlow's life ambition, much as she would tell it.

Helen Hoffman Became Bride of Carl A. Kleuskens Wednesday

On Wednesday, October 11, Miss Helen Hoffman, daughter of Mr. and Mrs. Max Hoffman of Umbarger, became the bride of Carl A. Kleuskens, son of Mr. and Mrs. Theodore Kleuskens of West DePeer, Wisconsin. The double ring ceremony was read in Saint Mary's Church with Rev. Father Andrew Marthaler officiating at High Mass and the Sr. Choir singing the Mass. Miss Mary Janssen, cousin of the groom, was organist; she played the Wedding Processional by Carlo Rassin.

The main altar was decorated with two large bouquets of white gladioli and was flanked by six lighted candles. Large baskets of gladioli stood by the gates. The bride and groom knelt on the Pylus, which was covered with white velvet and trimmed in orchid and blue ribbons, which matched the maid's dresses.

Sisters of the bride, Misses Martha and Anna Hoffman attended their sister as maid-of-honor and bridesmaid. They wore identical dresses of orchid and blue marquisette over matching taffeta. Their headresses were of white net with matching flowers. They carried bouquets of mums which also matched their dresses.

James Kleuskens and Melvin Kleuskens, brothers of the groom, served as best man and groomsman, respectively.

Given in marriage by her father,

the bride wore a white bridal satin gown, designed by her grandmother Hoffman. The baby doll collar was trimmed with imported French lace and the sleeves which tapered to petal points on her hands were fastened at the wrists with tiny white satin buttons. The skirt was floor length with a detachable chapel train. Her fingertip veil of imported French lace was attached to a headed crown.

The bride carried a white Pearl covered prayer book with an orchid bouquet surrounded by white satin streamers and knotted tube roses. She wore a necklace which her mother and grandmother had worn at their wedding.

For her daughter's wedding Mrs. Hoffman wore a navy blue dress with black accessories. Mrs. Kleuskens, mother of the groom, was attired in a wine dress suit with gold accessories.

After the ceremonies the wedding party and Father Marthaler were guests in the home of the uncle and aunt of the groom, Mr. and Mrs. W. P. Janssen, for a wedding breakfast after which a wedding dinner was served to Father Marthaler and approximately fifty relatives in the home of the bride. In the home of the bride at four o'clock a reception was held. The three-tier wedding cake was decorated in the bride's colors. Barbecue prepared by Charlie Lowe of Amarillo was served to over two hundred guests.

Bussy Edwards and his band from Tulsa furnished music for the dance honoring the bride and groom in the Umbarger Parish Hall. Immediately after the dance the couple left on a wedding trip.

Mrs. Kleuskens attended Saint Mary's Parish school in Umbarger. Mr. Kleuskens graduated in West DePeer, Wisconsin, and is now employed by the Tucumcari Grain Company in Tucumcari, New Mexico, where the couple will make their home.

Good Old Smoked Hams Have Passed From Meat Counters

Old style, palate tickling, succulent smoked hams like you used to prepare for special Sunday dinners are giving way to the tenderized and ready-to-eat varieties.

Increased danger of spoilage comes with the change, State Health Officer Geo. W. Cox says.

Used to be you could salt down a ham, then home-smoke it slow and easy. When done, you could hang it on the back porch easily accessible for a quick slice.

Those days are fast waning, for city bound folks. Ask your butcher for a smoked ham nowadays, and you get two choices: "tenderized," or "ready-to-eat." They look the same, and have some of the old sweetness. But there the similarity ends, Dr. Cox says.

Since less preservative salt is used in the smoking process, today's ham products have to be placed under immediate refrigeration, the same as any other meat.

"Tenderized" hams are smoked at a temperature of approximately 129 degrees. Dr. Cox says that means they have to be cooked before eating in order to kill any trichina larvae that may be present.

"Trichina larvae, which cause trichinosis, are killed at a temperature of 137 degrees F," the health officer cautioned. "That's internal temperature."

He warned that "ready-to-eat" ham products are smoked at approximately 160 degrees, and cured with less salt than regular smoked hams. They'll spoil easily unless kept under refrigeration until eaten.

Here are the health officer's recommendations regarding these meat products:

1. They cannot be stored in temperatures above 50 degrees. Neither can prepared dishes or sandwiches made from the products.
2. Strict sanitation should be observed in handling them.
3. They should be handled in refrigerated equipment from packing plant to consumer.
4. Cook before eating must not be confused with ready to eat meat products. Always ask the retailer about the meat to make sure of the cooking procedure.

News In Canyon 25 Years Ago

(Taken from the files of the Randall County News of October 25, 1925)

The weather was pronounced as extremely crazy by the pioneer farmers. Rain continues to fall almost daily, when dry weather is needed. A frost is threatened every night, but so far none has come.

VERY REASONABLE

In Cleveland an uninhibited lady driver stopped abruptly at a busy intersection and oblivious of the long line of cars honking their horns behind her, proceeded to slip on a new pair of nylons.

When an annoyed traffic cop ordered her to drive on, she explained it this way:

"I noticed a run in my stocking and my boy friend is waiting for me around the corner and you wouldn't want me to meet him half-dressed, would you?"

ENOUGH FOR HIM

"That's a bad cold you've got," said one man to another, who was sneezing violently.

"What are you taking for it?"

"Whiskey," was the reply.

"Whiskey, I know something better than that," replied the man.

"But who wants anything better than that," sniffed the sufferer.

RUTH S. S. CLASS HAS INSTALLATION OF OFFICERS

The Ruth Sunday School Class of the First Baptist Church met in the home of the pastor on Tuesday, October 10 at 7:30 for installation of class officers.

Mrs. Roy L. Johnson, assisted by Miss Anita Bain at the piano and Wilbert Long, soloist, conducted the installation.

New officers for the coming year are: president, Mrs. W. O. Nunley; enlistment vice-president, Mrs. Luke Miller; fellowship vice-presidents, Mrs. Wayne Wirt and Mrs. Billy Brown; class ministries vice-presidents, Mrs. W. T. McGregor and Mrs. A. B. Gray; secretary, Mrs. Hersey Williams; assistant secretary, Mrs. Leroy Pitt; group captains, Mrs. D. A. Brown, Mrs. Earle Fries and Mrs. Charles Hughes.

Attractively bound year books were passed out. Plans for the year's work were completed, and a social hour followed.

The serving table was centered with a harvest centerpiece featuring a pumpkin, grains and apples. The candles were in the class colors of purple and gold. Mrs. W. O. Nunley presided at the coffee service. Ribbon chicken sandwiches, open face cheese sandwiches, pinwheel date cookies and salted nuts were served.

Attending were Mrs. Jno. Butler, Miss Anita Bain, and Wilbert Long. Members present were Mesdames Gilford W. Cox, Leroy Pitt, Hersey Williams, Billy Brown, A. B. Gray, G. C. Crosby, D. A. Brown, W. T. McGregor, Marvin McBroom, C. Lee Brown, Dale Killingsworth, Luke Miller, Cecil W. Belcher, the class teacher, Mrs. Tom C. Gooch, and the host and hostess, Dr. and Mrs. Roy L. Johnson.

Mr. and Mrs. C. V. Lowe and Mr. and Mrs. G. B. Combs attended the wedding of their niece Miss Hellen Holley a dJohn Khawry last Tuesday evening in the First Baptist Church in Amarillo.

ANNABEL SCHAEFFER HONORED WITH MISCELLANEOUS SHOWER

Miss Annabel Schaeffer, bride-elect of Wayne Bramlet of Lockney, Texas, was honored Thursday, October 5th, with a miscellaneous shower in the home of Mrs. E. W. Miller.

Guests were greeted at the door by Mrs. Miller who presented them to the honoree, Mrs. J. C. Bramlet, and Mrs. E. W. Schaeffer.

A gardenia corsage was presented to the honoree and rose corsages were presented to Mrs. Bramlet and to Mrs. Schaeffer.

The honoree's chosen colors of white and blue were featured in the decorative appointments. Mrs. T. J. Myers served the guests punch and cookies from an attractive serving table. The table was draped with a lace cloth centered with a bouquet of white chrysanthemums and blue delphiniums, flanked by white tapers in crystal holders.

Miss Frances Ann Francy rendered a number of piano selections while the guests were assembling. Mrs. Ernest White gave a reading, then Miss Betty Miller sang "I Love You Truly."

Mrs. Franklin McNeely presided at the guest book where eighty guests were registered.

Hostesses for the occasion were: Mrs. A. E. Wise, Mrs. T. J. Myers, Mrs. Horney Rogers, Mrs. Viola Buchanan, Mrs. Franklin McNeely, and Mrs. E. W. Miller.

HEATING IS STUDIED BY SUNNY HILL H. D. CLUB

Mrs. D. L. Allison was hostess to the Sunny Hill Home Demonstration Club on October 12. The singing of "Home on the Range" opened the meeting. Mrs. S. L. Robinson showed pictures and gave information on the different kinds of heating for the home.

The following officers were elected: president, Mrs. E. W. Miller; vice-president, Mrs. Everett Culp; secretary-treasurer, Mrs. Orva Henry; reporter, Mrs. D. L. Allison; council representative, Mrs. M. R. Miller; parliamentarian, Mrs. Mary Williams; clothing demonstrator, Mrs. R. B. Gist, Jr.; assistant, Mrs. Alvis Sykes; bread and cereal demonstrator, Mrs. D. L. Allison; assistant, Mrs. Eula Hayes.

Those present were Mesdames Everett Evans, Loyd Prutsman, L. S. Robinson, M. R. Miller, E. W. Miller, R. B. Gist, Jr., Eula Hayes, J. B. Knox, Mary Williams, Orva Henry, the hostess and guests Mrs. V. Allison and Mrs. Pauline Allison.

SHRUBS WERE STUDIED BY EDGETOWN H. D. CLUB

The Edgetown Home Demonstration Club met with Mrs. C. H. Stratton on October 13. A sing song accompanied by organ music opened the meeting. President Mrs. J. C. Dowd was in charge. Mrs. W. T. Davis acted as secretary. Roll call was answered by naming the favorite shrub. Mrs. H. F. Curtis gave the council report. Miss Lou Ella Patterson showed and discussed various shrubs.

At the social hour which followed Mrs. Stratton served ice cream and angel food cake to Mesdames W. I. Wester, W. S. Curtis, C. W. Dunn, T. T. Pain, J. C. Dowd, W. H. Sparks, Ralph Forrester, H. F. Curtis, Dallas Milner, Jeanette Robbins, R. E. Gill, J. I. Payton, J. H. Wright, and Miss Patterson.

Mrs. R. E. Gill will be hostess at the next meeting at which time officers for the coming year will be elected.

Young Singer Will Direct Music at Baptist Meeting

Benny Lowry of Lufkin, Texas, will direct the music for the Youth Revival at First Baptist Church of Canyon, October 22-29, according to announcement of Pastor Roy L. Johnson. Young Lowry is a former student of Stephen P. Austin College and Baylor University, and is experienced in directing music, although he is young in years. He is a part of the youth team coming to Canyon for the 8-day revival in which James Langley of Opelika, Alabama, will do the preaching.

Local arrangements are being made by committees of young people, and to enable high school and college students to attend the day-time meetings, the 40-minute service will be held at 7:10 each morning, Monday through Friday, with a light breakfast served at the church before and after the meeting.

Night meetings will be held at 7:30, and Benny invites all interested young people to join him in a nightly rehearsal of the "Youth Choir" at 7:00.

PRESIDENT JAMES CORNETTE, nattily attired in boots, levis, dress coat and buttonaire, is shown here mounting a mule in Monday morning's special assembly. Cornette promised three years ago to ride any mule selected by coach Kimbrough the full length of the football field in Buffalo Stadium, if and when the Buffs toppled the high-flying Tech Red Raiders. The Thundering Herd won Saturday night and Cornette made his promise good Monday morning.

NEW THEORY**Eye Window
For Heart**

SAN FRANCISCO, Cal.—A new scientific technique, which is based on the theory that "the eye is the window to the heart," can simplify early detection or diagnosis by physicians of a tendency toward development of heart disease.

This technique, known as "flicker photometry," has proven to be more than 98 percent accurate in confirming known cases of hypertensive and coronary heart trouble. In the hands of doctors, it is expected to help them save many lives of potential heart-attack victims, who heretofore had little way of knowing they were developing the disease until often too late for preventative treatment.

These findings, together with facts about the new heart-blood vessel measuring instrument called the "flicker photometer," were illustrated here in a scientific exhibit at the convention of the American Medical Association. The new technique and instrument are the result of ten years research by two Chicago scientists, Drs. Louis R. Krasno and A. C. Ivy of the University of Illinois College of Medicine.

Simple Instruments

The apparently simple instrument is a black box with a tiny "window of light." In reality, it is a complex and accurate electrical device for producing controllable speeds of flickering light. It is capable of revealing, by measuring reactions of the human eye to a countable flicker of light, certain blood vessel conditions of the retina and the brain which appear to precede two important forms of heart disease.

Two easily administered tests are made. After first recording a patient's reaction to the flicker, a harmless nitroglycerin tablet is administered and a second flicker test taken. The interpretation of the tests simply depends on whether nitroglycerin increases or decreases the patient's ability to see flickering light. Over 500 patients have been studied in this research project at the University of Illinois. Further research is being continued at the University, as well as by several investigators throughout the country.

In addition to its diagnostic application against the nation's No. 1 killer, the Krasno-Ivy "flicker photometer" offers valuable assistance to physicians in determining the effectiveness of treatment in known cases of hypertension and coronary thrombosis.

Verified Importance

While meager news of the machine's existence became known last December, further research and actual use by doctors now has verified the importance of the device for real progress in the battle against heart disease. It is the first instrument able to reveal certain conditions of blood vessels of the retina and the brain, which appear to precede hypertension and/or coronary heart diseases.

It is commonly accepted that diagnosis and treatment of these two diseases can never begin too early, but diagnostic methods in general use today are of value only after the disease is further advanced clinically. The device detects this tendency at sub-clinical level, when the patient does not yet show evidence of elevated blood pressure, abnormal electrocardiogram, or any customary symptoms. It makes possible mass testing of the public, by a simple and inexpensive method.

John D. Rockefeller, Jr.,**Proud He Shined Dad's Shoes**

NEW YORK.—What was the relationship between John D. Rockefeller, Jr., and his father, who until his death May 23, 1937, was the world's richest man?

In a rare revelatory mood, the 76-year-old Rockefeller said he always was as proud to shine his father's shoes as to represent him in any of his vast business and philanthropic interests.

Rockefeller, wearing a three-button business suit and old-fashioned high-laced shoes, publicly told for the first time how he gradually took over the Standard Oil empire. He spoke after becoming the third man to be made an honorary member of the chamber commerce of the state of New York.

Gen. Dwight D. Eisenhower and former President Herbert Hoover, the other two honorary members, rose with the crowd at the meeting and roundly applauded the man with the shining memory of his father.

**Good Reputation
Gained By Albert
Lard Electric Co.**

Specializing in a complete electrical contracting service including residential, industrial and commercial wiring as well as carrying a complete stock of small appliances Albert Lard Electric Company at 119 W. 7th in Amarillo is top ranking.

When general contractors in this area have difficult electrical installations and complicated wiring jobs many of them depend entirely on the Albert Lard Electric Co. because they know that by doing so the very best material will be used and the plans and specifications followed to the letter and there will be no difficulty in the job passing the inspection of the authorities on completion.

Albert Lard, head of the electric company bearing his name, has always made it a policy to use only the very best material and to employ only skilled and experienced electricians. He is always glad to consult with prospective builders, and those who contemplate remodeling, and give them the benefit of his many years of experience and technical knowledge regarding their electrical installation and wiring problems and furnish cost estimates on his work without obligation.

In the display room at 119 W. 7th will be found an amazing array of all the small electric appliances. These appliances are all nationally known and manufactured by the top notch firms of the nation.

We take pleasure in this review of leading firms in complimenting the Albert Lard Electric Company on the high standard of their service and to recommend them to our many readers.

FAIR QUESTION

There is some argument over the origin of civilization. This is unimportant compared with the question of when it will resume operations again.

Charles Sawyer, Secretary of Commerce: "We are in a position so far superior to any position we have ever held or any other nation has ever held that it seems almost fantastic."

Planners in Government are giving thought to construction of new aluminum plants near coal fields, with coal to provide fuel to produce steam that would be used in making of aluminum. Aluminum demands of armed services are skyrocketing.

These days you can't tell from the price tag how much quality a car holds. Ford, for example, is still priced with the lowest... yet in other respects it's in the fine car class. Take its styling, for example. For two years in a row Ford has been the recognized fashion leader.

Like America's finest cars Ford offers you a V-8 engine. No other low-priced car does. Nor does any other car at any price offer you a choice of V-8 or Six engines. And remember, Ford's V-8 costs hundreds less than most sixes—Ford's Six costs even less.

200 baby chicks saved!

"A FRIEND INDEED"

Mr. and Mrs. Harold W. Ross put all their eggs in one basket—and make money at it.

From the basement of their Maplewood, Mo., home, the Rosses run a rapidly expanding chicken hatchery. In six years, they've built up a thriving business, depending a lot on their business telephone.

Says Mr. Ross: "Never realized how our telephone helps us save and make money, though, until we kept a five-day record of our telephone calls recently. Now I can see that we depend on our phone to make sales for us, run errands, deliver messages, do a great many important jobs. It's a friend indeed!"

Each year brings greater progress in your telephone service. New telephones added—greater improvements made! The result: quicker, more trouble-free service for more people. It's a real budget value—that grows in value every year! Southwestern Bell Telephone Co.

Tuesday—One of our customers calls for shipment of baby chicks. Mrs. Ross is hard of hearing, uses a special amplifier. Hears easily.

Wednesday—Sister-in-law asks about son who works for us. To save time, Mrs. Ross takes call over extension in our basement.

Thursday—Prospect calls about chick prices and deliveries. Our ad in yellow pages of directory helps build our sales.

Friday—Feed supplies low—so our helper orders more. Business telephone means low-cost way to carry on all phases of our business.

Buffaloes Defeated University of New Mexico Saturday in Fifth Game of the Season in Sandie Stadium

Displaying appalling power, speed and depth, West Texas State college employed 39 players Saturday night in completely crushing New Mexico University 45-6.

The Buffs of Coach Frank Kimbrough received the opening kickoff and scored in just four plays with the game only one minute and 38 seconds old. They scored again in three and one-half minutes.

Coach Dudley De Groot's out-manned Lobos were never in it. They never gave an indication of being able to cope with the Buffs' speed or power.

Coach Odie Crowell's speedy forward wall—which was excellent man to man from end to end—cut the big Lobo defense to ribbons, piercing it almost at will. Too, the Buff line afforded quarterback Gene Mayfield beautiful protection, giving him lots of throwing time.

A record crowd of 13,000 fans and a couple of dozen "so-called" experts virtually all of whom had expected that New Mexico would make a better game of it, witnessed the affair.

But a close game was not in the books. The Buffs chalked up their fifth straight season win and fourth

in Border Conference play with most of the star performers the fans came to see also watching the skirmish.

Little All-America candidate Bill Cross, the Canadian Comet, scored the first touchdown on a brilliant 55-yard scamper with the game less than two minutes old. In all he carried the ball three times and caught two passes. His rushing total was 68 yards, an average of almost 23 yards per try.

Charlie (Wire) Wright, the power in the Buff attack, carried the ball 51 yards in seven tries for an average of over seven yards per try.

Mayfield maintained his brilliant passing record, completing 12 of 23 throws for 208 yards gained. The smart Buff play picker also carried the ball four times for a net of 27 yards and scored the third Buff TD on a four yard jaunt.

The Buffs revealed excellent depth when Tom Airhart and Jimmy Draper both moved into the back-field and ripped off consistent gains the last three quarters. Airhart moved 90 yards in eight tries and Draper got 67 yards in seven carries.

After Cross made his 55-yard scoring sprint in the opening minutes

of play, the Buffs kicked off to the Lobos and held them after one first down. The Buffs took over on their own 12 and marched to a tally in eight plays. Wright made 18 yards in two carries and Mayfield made 28. Then Mayfield threw to end C. H. Keeton for a 38-yard gain that put the ball on the Lobo four.

Wingback Eddie Conner buzzed around left end for the score and Dunn, who was hampered by a back injury, missed the kick for point. He missed three others before they decided to let Cross try the rest. Dunn had kicked the first one, and has an excellent season record.

Joe Ogden made a splendid running catch of a Mayfield pass for a 49 yard gain to set up the next Buff tally. Cross went eight yards up the middle on the next play and Mayfield went right on a keeper to score.

The Lobos, meanwhile, had been filling the air with passes, letting Milton Price, Manny Orosco and Herbie Hughes participate before it was over. In all they completed 18 of 41 and the Buffs intercepted seven.

Bob Kelley, linebacker, intercepted a Lobo throw to set up the Buffs next counter. He took the ball at midfield and returned to the NM 40. Cross made five yards, a Mayfield to Joe Spann pass made 20. Wright carried 14. Mayfield carried nine and Wright blasted 10 yards to score, making it 25-0.

Airhart smashed four yards to score the next time the Buffs got the ball. It was their 10th play from scrimmage in the series after taking possession on the Buff 26. Mayfield passes to Spann, Airhart and Keeton had accounted for most of the yardage.

Because of repeated offsidess by NM, Cross got three tries to kick the point and made the last one, leaving the count 32-0 at halftime. The Buffs didn't punt in the first half and scored five of the seven times they had possession of the ball.

Airhart scored again for the Buffs midway in the third period after Conner had intercepted a Lobo pass on the Buff seven and returned it 44 yards to the Lobo 49 to give WT possession. Airhart went 21 yards, Draper made two and then 14. Airhart bulled 12 yards to score and Cross kicked the point.

The Lobos passes clicked, moving the ball to the Buff 14 before an interception by Draper on the WT one yard line. On the next play, the Lobos scored on a weird mixup. Frank Wise, standing in his own end zone, apparently to punt, tried to first run and then pass. The ball was intercepted by Bob Cook on the two and he scampered over for the only Lobo TD.

Draper made the final Buff TD getting loose for 34 yards after Marvin Smith had recovered a Lobo fumble the play before. Cross' kick was wide leaving it 45-6.

The session marked the last time the Lobos and Buffs will meet in BC competition, since New Mexico has secured membership in the Skyline Conference beginning next year.

The next Buff game is scheduled at Canyon Saturday afternoon when they play Sam Houston State in a non-conference home-coming tilt.

F. Raymond Peterson, retiring President, American Bankers Association: "The present expansion of loans is not something to be worried about."

BIG BOB KELLY, 215 lb. center from Bovina, has replaced last year's "Bird-dog" Trice at the pivot post and has been outstanding on both offense and defense.

Producers Grain Corp. Is Asset To Farm Industry

It is impossible to overestimate the importance of the firms which buy grain from the farmers and growers of this district. The residents of this community who have dealings with the Producers Grain Corporation with offices in the Pisk M & P Bldg. in Amarillo, are enthusiastic in their expressions of good will toward this firm. Excellent storage facilities are available at Producers Grain and top prices for grain has always been the rule.

Producers Grain Corporation, manufacturers of P G C Feeds, are authorities on feeds and feeding. No matter whether it is feed to make the hens lay, the cows give milk, fatten the cattle or hogs, you can rest assured that they will prescribe the best feeds for the individual requirements in their carefully mixed P G C Feeds. There is great economy in using these scientifically balanced feeds in addition to the added profits obtained through increased egg production and weight gain for cattle and hogs.

Mr. J. Frank Triplett, Vice Pres. and Genl. Mgr., is one of the men responsible for the fine reputation which the organization enjoys in this section. He may be depended upon to lend his time and energy to the support of any project which promises to benefit the community as a whole.

We are glad to point out the Producers Grain Corporation as a valuable aid to our local farmers and feeders and to wish for them many years of continuous successful operation.

Sonotone Assists Hard of Hearing

The increasing acceptance of hearing aids is providing many of us with the solution of a here-to-fore very inconvenient problem. Sonotone of Amarillo, with offices located in the Barfield Bldg. at 6th and Polk, and handling one of the leading lines of hearing aids in the nation, is in a position to advise and assist in the alleviation of your hearing difficulty. In addition to Sonotone Hearing Aids they handle an extensive stock of batteries for most types of other hearing aids.

There are many reasons why Sonotone hearing aids have been so gratefully accepted by the people of this and surrounding area. One reason is the new Sonotone, with the most natural reproduction of sound for the hard of hearing, is noted as an instrument with practically no clothing or friction noise. This most efficient hearing aid is fitted by experts to individual needs after audiometric measurements, providing many exclusive improvements and continuing personal care for uninterrupted better hearing.

Mr. W. T. Robbins, the manager of Sonotone of Amarillo, is a competent individual who is thoroughly conversant with all the intricacies of this increasingly patronized service. It is indeed a comfort to know that the community has a specialist of this type to serve the interests of those needing a hearing aid.

It is in order that we refer our many readers to Sonotone of Amarillo and suggest that if they are in need of hearing assistance that they drop in to the office in the Barfield Bldg. or telephone Amarillo 7368 and talk with Mr. Robbins the congenial manager.

Almost all military equipment used by North Koreans, down to small arms, proved to be of Russian make.

TOO MUCH ADO

Members of the American Collectors association, in convention at Detroit, announced that no longer would they be known as "bill collectors" but as "adjusters of delinquent obligations," a term which undoubtedly will be shortened to ADO and give a householder wrongly billed caused to complain that there was much ado about nothing.
